**A little about Di's Delightful Plants**

To ensure our customers have access to the best plants in the world we regularly travel to Europe, South Africa, Asia, New Zealand and around Australia. Over the years we have imported most of the lavenders currently available. Plants like *L. 'Avonview'*, *L. 'Kew Red'*, *L. 'Hazel'* and *L. 'Grosso'* have been introduced onto the Australian Market by Di's Delightful Plants.

Where possible we try and give to you, our valued customer, an exclusive period prior to the general plant release date.
